

## Sleeve Instructions

1. Signal sleeves must follow the rules outlined in Game Manual Part 1, section 7.5
2. Place vision content (images, etc.) in the white trapezoidal areas of the template, and Team number in the designated Team number areas on the template.
  - Team Signal Sleeves must be fully completed (with vision content and Team numbers) prior to arriving at the Competition. Please refer to rule <SS04>
3. Cut out the perimeter of the Signal Sleeve, including the tab
4. Curl the Signal Sleeve into a cone with the tab under the far side of the template.
5. The Signal Sleeve must be connected at each end
  1. Any tape or adhesive may be used to connect the ends as long as the method used does not damage the Signal.

IMPORTANT NOTE: Due to the fragile construction of the Signal Sleeve, damage should be anticipated during normal gameplay. Teams should bring multiple copies of the Signal Sleeve to the competition.
